Registration at 8:30 am (for initial class only)

Weekly instruction from 9am to 4 pm

Lunch and refreshments will be provided

Instructor: Jackie Gervasi, CPIM, CSCP

CPIM focuses on the mastery of an organization's internal operations and provides an in-depth understanding of materials management, master scheduling, forecasting, production planning and provides the knowledge to apply this information across the extended supply chain.

CPIM Part 1 content covers the Basics of Supply Chain Management.

In the Basics you get a complete overview of material flow, from internal and external suppliers, to and from your organization.

28 hours of classroom instruction provides:

- Instructor lead thorough review & exam preparation
- 28 points for CPIM certification maintenance
- Extensive real-life examples supporting instruction concepts

APICS Member: \$695

Early bird pricing \$645 until 2/28/20

Non Member: \$915

Early bird pricing \$865 until 2/28/20

(includes a 1-year membership - A \$220 value)

The registration fee for this course includes the APICS CPIM Learning System materials and on-line tools. Please note that fees for taking the CPIM exam are separate.
