ASCM CONNECT Virtual
September 14 – 16, 2020

Have you heard? Our annual conference has gone digital! ASCM is introducing a new opportunity in place of our annual, in-person conference and offering a reimagined virtual option for our supply chain professionals wanting to learn best practices, explore new ways of thinking, and obtain endless ideas to optimize their supply chain performance.

Join us *virtually* on **September 14 – 16, 2020**, to take a deep dive into best-in-class supply chain insights and solutions from supply chain thought leaders such as C.H. Robinson, CIPS, Cisco, Dawn Foods, DHL, NASA, Johnson & Johnson, and more.
